XOTIC ANIMALS

Strikingly beautiful, busty lesbian, **Anissa**, runs her hand through her long black shiny hair as Asian seductress, **Katsuni**, wedges the giant glass fuck-piece between her exotic pussy lips and pushes it in. Anissa's hot, sticky cunt lips gratefully accept the girthy gift, issuing a steamy gush of liquid poon, perfumed with heat. Katsuni locks her lips on Anissa's wet panty mouth as her tongue sweeps forcefully over her bumpy, ballooning pussy bits. She jams and swivels, stuffs and sucks, kisses and fucks, as the two pussy-loving lovers engage in a sensual grappling match that soon finds Katsuni on the bottom and her creamy, taut little Asian slit on the business end of the filthy fuckstick. These two erotic exotics may come from good homes, but they turn into wayward strays at the first scent of hole honey.

THE SECRET XXX SEX TAPE OF
KENDRA WILKINSON
Star of the E! hit reality show The Girls Next Door and her new E! show Kendra!

Kendra Wilkinson may be a mom, but she's still got her knockout curves, and with all the rumors still floating around about a possible divorce from husband Hank Baskett, there's never been a better time to look back on the blistering sex tape that made her a household name. Despite the intermittent "fuzzy" nature of the sex tape, *Kendra Wilkinson Exposed* shows Kendra at her fresh-faced, passionate, and insatiable best. Originally shot in her hometown of San Diego, California with her boyfriend Justin Frye, this sex tape still cooks today.

But who is Kendra and how did she rise to such lofty heights to become the celebutante that she is today?

Kendra Wilkinson met Hugh Hefner at his 78th birthday party in April 2004, when the sexy blonde was hired to be one of the "painted girls" featured at Hef's blowout soiree. The men's magazine legend reportedly took a liking to her, and, after scoping a photo of her shot by photographer Kim Riley, asked her to be one of his girlfriends. Soon after, Kendra moved into the Playboy Mansion, along with her two dogs, Rascal and Martini.

Evidently, the sexy blonde relished the role of playing arm candy to the legendary pipe-smoking Playboy editor-in-chief because she parlayed it into scoring a major gig on ABC's *Dancing With The Stars*. Kendra's celebrity status, however, was unquestionably cemented the moment viewers laid their eyes on her in *The Girls Next Door*, a reality TV series that focused on the lives of Hefner's girlfriends at the Playboy Mansion. Dollar signs as well as luck were also in the perky Playmate's future when she later signed on to star in the self-titled reality project *Kendra*. It seemed *E!* network devotees as well as the rest of America couldn't get enough of the vivacious vixen with the great boobs. Then viewers got far more than even *they* hoped for when Vivid Entertainment, the adult entertainment juggernaut, announced they had in their possesion a sex tape featuring

HIGH SOCIETY 33

The Goldmine Next Door: *Holly Madison, Hugh Hefner, Bridget Marquardt and Kendra.*

ACCORDING TO VIVID, *KENDRA WILKINSON EXPOSED* WAS VIVID'S SECOND MOST POPULAR CELEBRITY SEX TAPE EVER, TRAILING ONLY BEHIND TOMMY LEE AND PAMELA ANDERSON'S INFAMOUS *PAMELA ANDERSON & TOMMY LEE: HARDCORE & UNCENSORED.*

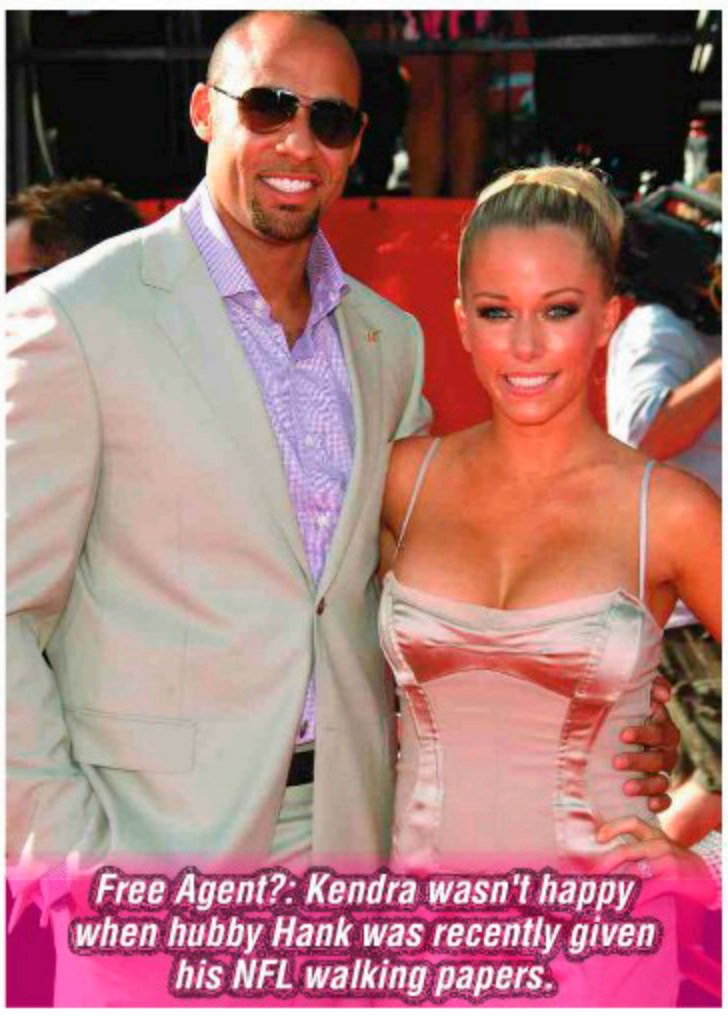
an 18-year-old Kendra in *very* compromising positions.

Not surprisingly, Vivid predicted then that *Kendra Wilkinson Exposed* would be one of the biggest selling celebrity sex tapes in history, which was further evidenced by Vivid's decision to release the tape earlier than anticipated, due to high demand and massive pre-orders. "We believe this could be our all-time best selling celebrity tape," Steve Hirsch, founder and co-chairman of Vivid, said at the time. "We know that Kendra has millions of fans and we feel that it's rare to find well-produced, hardcore footage of a star of her magnitude." The footage, as fans have come to know, was shot before Kendra was famous and years before her relationship with and marriage to former Minnesota Vikings wideout Hank Baskett. When the sex tape finally became available on line and in stores, Kendra's fans—as well as curious porn aficionados everywhere—picked up copies in droves and weren't disappointed.

Prime footage shows a fresh and vibrant Kendra, pre-boob job, in barely legal sexual romps with her boyfriend Justin Frye. Seeing 18-year-old Kendra naked and putting her beau through the paces is riveting, and no doubt got penises around the world standing up and taking notice.

Interestingly enough, it almost doesn't matter if you're a fan of Kendra's or not, because by the end of her performance you'll definitely be drinking the kool-aid. You'll love her bubbly personality; the chemistry she and her boyfriend share is almost contagious and, take it from us, Kendra will certainly elevate your heart rate.

Not surprisingly, there was considerable controversy surrounding the sex tape's initial release. At first, Kendra went to the press to complain about the video's distribution. "The video is private and highly



Free Agent?: Kendra wasn't happy when hubby Hank was recently given his NFL walking papers.

confidential, taken for private use, and not for public disclosure," she argued. Kendra's lawyer, Yael E. Holtkamp, even wrote a letter to the powerhouse studio threatening legal action, "Any exploitation of the video would be a gross violation of Miss Wilkinson's constitutional and common law rights of privacy." Vivid, however, didn't back down, defending its right to distribute the video with legal verbiage of its own. "After reviewing our legal position we remain confident of our right to distribute the video," said Vivid Chairman Steve Hirsch. "Thus, Vivid plans to release *Kendra Exposed* within the next several weeks."

While we at HIGH SOCIETY highly recommend you head out now and pick up a copy or download the DVD from *vivid.com*, we also hear that there could be another Kendra sex tape floating around somewhere in the marketplace, one that allegedly features girl-girl action, and, to no one's surprise, Vivid Celeb is definitely interested in getting a deal done. "After our great success with *Kendra Wilkinson Exposed*, of course we're interested in distributing another Kendra sex tape," said Mr. Hirsch. "We look forward to speaking to the owner of the tape and making a deal ASAP."

According to Vivid, *Kendra Wilkinson Exposed* was Vivid's second most popular celebrity sex tape ever, trailing only behind Tommy Lee and Pamela Anderson's infamous *Pamela Anderson & Tommy Lee: Hardcore & Uncensored*. Considering it was rumored that Kendra, 25, shopped around her previous sex tape prior to its release, and made a ton of money after it was released, she may stand to make a lot more dough if still another sex tape sees the light of day! For all you Kendra Wilkinson fans out there, believe us when we tell you, there's more of Kendra that will be exposed—*and very soon!*

For more information about *Kendra Exposed*, please visit Vivid.com.

COCO-NUTS

Angelica's been down in the islands a little too long. She's losing touch with reality as she touches herself on a palm frond! This raven-haired hussy hasn't made it home in a long time, but she's made it with just about every stiff dick on the island! "I don't miss the hustle-bustle of life back home in Cali," explains out X-rated friend. "Things are much simpler here—I eat, sleep, and fuck under the stars, and I don't have to answer to anyone. There's something to be said for dropping out of society—I highly recommend it!"

COCK POWER

ROMANA RYDER

HOLLY HEART

VICTORIA LAWSON

JULIETTE BARDOT

KORTNEY KANE

STARRING: ROMANA RYDER, HOLLY HEART, VICTORIA LAWSON, JULIETTE BARDOT, AND KORTNEY KANE WITH PIKE NELSON, JACK LAWRENCE, BILLY GLIDE, JERRY, AND ALEX GONZ **DIRECTOR:** MARC TWAIN **STUDIO:** BLUEBIRD FILMS

As guys, we love to think it's all about us—hard cocks make the world go wrong and get the girls off, but we have to remember we can't do it alone. We need the pussy, the inspiration, the place to slide our hardness into. Without it our cocks—and our lives—would be limp as seaweed or spinach or some other unpleasantry.

No need to worry about getting soft when you have five gorgeous, hot-to-trot strumpets at our visual disposal in *Cock Power*. Euro-bred beauties **Romana Ryder, Holly Heart, Victoria Lawson, Juliette Bardot,** and **Kortney Kane** all show us the dirty side of the European vacation we'll never get to have, but we have the home movies and they're professionally shot, too. Sit back and take a trip across the pond with a bevy of babes you'll never forget. And remember, you can go back any time you like, they're always here for you.

We can talk about the power of cock all day long (and we might!), but let us not forget from where this power comes: the allure of sweet pink gash. It's the scent, sight, feel, and anticipation of the vaginal split that sends the blood running from our brains to our peckers and seeing the well-developed body of blue-eyed **Romana** is enough to put Viagra out of business forever, or it would if all chicks looked like this.

Sure seems to work for Pike, who

Romana takes a ride on Pike's penis before the stud deposits his snake venom on her sweet ass.

Jack In The Box: He's played a cop more often than Moses, but Jack Lawrence still can't recognize a crime scene, this time in the form of Holly's swollen hatchet wound.

holds out from banging her long enough to go down on her, but the fumes are too intoxicating and he pulls his face away just before he might pass out and plugs her flower with his beak, her nectar lubing the process and allowing him to go full throttle in his race to plunder her pussy and get off doing it. She takes it sitting down (on top of him), bending over and then while lying on her stomach, leaving Pike in the perfect position to unload his snake's venom onto her sweet ass.

Jack proves he doesn't have to dress up like a cop to get laid, this time showing up looking like your average perp in blue jeans and t-shirt, both of which the busty **Holly** relieves him of so that she can give his cock a suck, his nuts a rub, and then let him into that shaved hole of hers with its inviting flaps and tunnel to somewhere.

You don't have to ask twice and Jack is in the box, which looks like it's doubled in size by the time she gets on for a reverse cowgirl. The girl can obviously accommodate more than any mortal man can offer, but she'll more than make do with this nice-sized rod, sliding up and down, then turning around and pressing her big falsies against his face, which no doubt wears a smile between those nipples. He takes her

from rear view for a look at that white ass, then he gets on top and the rodeo ends when he pulls his nob out and shoots his liquid love between her tits, where it proves to be just lighter in color than her creamy skin.

One of the most powerful cocks in porn over the past couple of decades has been attached to Billy and he's probably the cause of more loose pussies than anyone in Los Angeles. **Victoria** gets her turn and while it looks like she may have had a big one or two in her time, Billy makes her feel young again when he give her a relentless pounding that has her howling and even gapes her snatch from its pressure push.

While she's riding his cock, there's a moment where it looks like she might try to slow the action down, but there's no fooling this pro: Billy grips both her cheeks and gives her the old horizontal thrust, practically banging her through the ceiling before he finally lets up, gives her a little doggy to remember him by, and then cashes in his money shot on her pretty face. It's okay, keep the change.

Switchin' To Glide: Billy stretches another rubber hole to near splitsville with his elephantine appendage.

Sultry-eyed **Juliette** has that look, a model's stare that contacts the camera just right no matter what angle it might come at her from. That's pretty and all, but what's important here is if the girl can dance, and Jerry puts her to the big test. She's an eager beaver, putting his cleaver in her mouth for a where-did-it-go showdown, only to let it out with a coat of lube that gives Jerry an easy early entry.

She's poised for success, hands on her little naturals as she lets him go to pussytown, him on top, her on top, don't matter so long as that stiff monster doesn't escape her pink taco and Jerry's happy to keep it going as long as the chick will let him stay deep inside her cunt with its thin racing strip of a bush. The strip he's looking at when he's ready to call it a lay is the slit of her ass, so for his escaping load he lays it on one ass cheek, making sure the camera is able to capture it's glistening success and Juliette as she maintains her model expression.

Jerry's Springer: All of his ivory bullets unloaded at the target, Juliette proudly displays the liquid residue.

Kortney Kane, no stranger to the one-eyed monster, does her best "Spinner" Spencer on the Gonz.

bluebirdfilms

Kortney is a sizzling brunette with a slender body, big robo-hooters and long, straight hair that has the capacity to be handled in a wide variety of ways. After some experienced cocksucking, she plays the role of aggressor and gymnast, riding on his cock and practically spinning on it like only a girl much smaller than she could possibly manage.

Alex gets his moments of control, too, blasting her from behind, squeezing her shapely legs together to tighten her hole and giving them both the sensation of virginal memories, as though either of them could remember that many fucks ago. She closes out with some more oral action, her tongue speaking its private language with his shaft until finally it replies with a gooey mix on her face.

HOT & COLD
SHOWER

Just like super spy James Bond, hot slice **Lela Star** follows a very regimented shower routine that she finds invigorating. "I start it out really warm," says the soaking wet sexpot, adjusting the nozzles. "Then, I lower the temperature until my nipples pop out and the cold water firms up my clit." Lela demonstrates the art of her Spartan-like shower routine. By the time the pussy-stroking polar bear is finished soaping up and is enjoying the cold blast of vigor on her quim, she can't help herself and begins to finger her swollen poon parts. The freezing water makes her nearly jump out of her skin as she stimulates herself to orgasm, hot pussy juice running down the goosebumps of her shivering gams. Thanks, Lela—now we all need to take a cold shower!

KDOOR BLONDE

ALL ANAL ALL THE TIME!!!

Jessica Moore loves her high-powered, high-paying executive job, but slogging through 80-hour workweeks in hopes of reaching new heights on the corporate ladder is a stressful pursuit. “That’s why I drink so much,” burps the buxom blonde as she hurriedly steps out of her tight clothes and bends over, impatiently waiting for her new barfly friends Choky and Frank to fill her holes with their rock-hard members. “Liquor gives me a whole new lease on life,” she hiccups while Choky’s cock trashes her butt pussy and Frank prepares to fuck her panty prize. “So I carry a vodka purse in my flask,” she says. “A flask in my ass,” she says, her eyes watering and rolling to the back of her head. She laughs as though she's alone. "An ass flask." The room fills with the squashing, smattering sound of nasty fucking along with the smell of wet pussy and spilled booze. She nods off for a second then wide-eyed and smiling, she feels two loads coat her face. She licks them down with her tongue. "Top shelf," she coos.

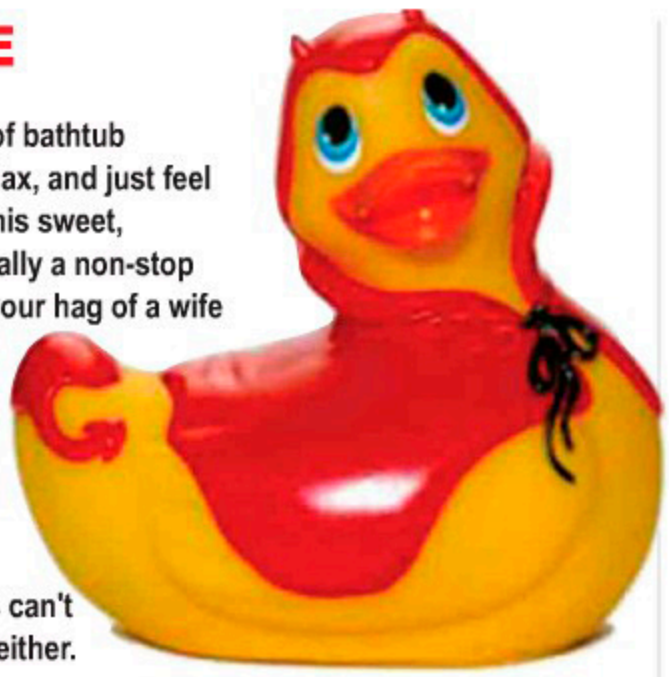
HIGH SOCIETY'S XXX TOY BOX

We haven't reached the dog days of August just yet, but it's plenty warm out there anyhow, and we at HIGH SOCIETY aim to make it a whole lot hotter with the unveiling of *HIGH SOCIETY's XXX Toy Box*. We've packed this new department with some of our favorite sex toys and adult accessories. We hope that they will soon become treasures of yours.

I RUB MY DUCKIE

Big Teaze, $22.45, *www.amazon.com*



I Rub My Ducky is the perfect waterproof bathtub massager that allows her to lie back, relax, and just feel *good! Okay, who's kidding who here!* This sweet, unassuming little floatation device is really a non-stop powerful pussy pounder. Wonder why your hag of a wife has submerged her ass once again in the tub, moaning sweet nothings, then meet this sad excuse for a rock-hard cock. Ducky has three-speeds and will *never* let her down, plus he's been featured on the TV show *The View*. Figures, those five smelly old piss flaps can't find a guy stupid enough to fuck them, either.

The Area 51 Love Doll is guaranteed to make all of your *other*-worldly dreams cum true, and, as an added bonus, comes complete with Free Alien Lube. In no time you'll be hitting all of her holes faster than you can say, "Adrian Foster." And what's really great about your Area 51 Love Doll is that she never utters a word— even after you've sullied all three of her orifices with your foul, stinking porridge. Now, that's *true* love!

ORGASMATRON 3000

Dominic Wilcox, *www.info@dominicwilcox.com*

Christ, with any luck, your better half will start spilling shit on you purposely, just so she can take another soggy ride on her homie, Mr. O. The Orgasmatron 3000 aims to put the fun back in housework—and, boy, does he succeed!

HIGH SOCIETY 97

It's obvious these three sluts are up to no good. **Sammie Rhodes**, **Celeste Star**, and **Clara G.** all went down to the pool, but ended up *going down* on each other! Conveniently clad in crotchless g-strings and easy access bra-strings, this triumvirate of twat found it especially easy to lick ass and gash while getting a suntan at the same time! Once things got a little too hot and heavy, the three beauties brought the party inside to administer the "finishing touches."

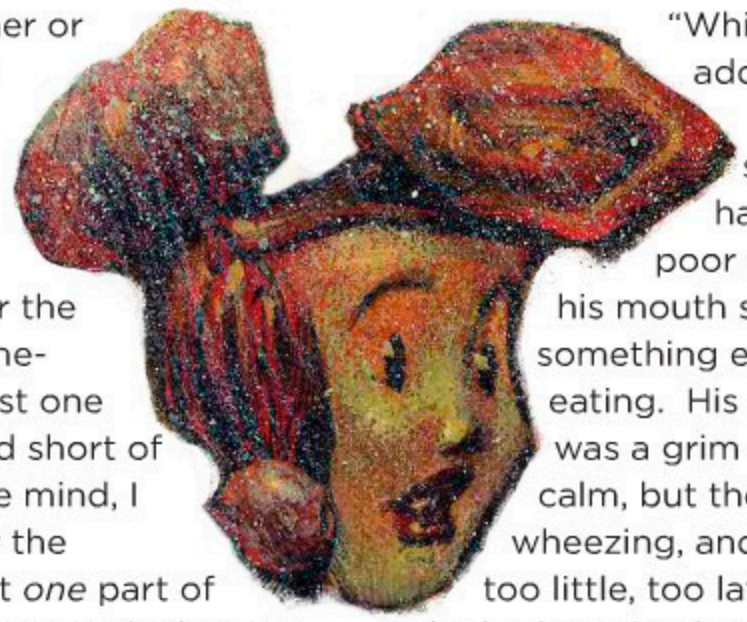
"I FUCKED AN ALIEN"

As Told to PETER THOMPSON

Illustration by WAYSHAK

I've never seen a UFO, but virtually every planetary scientist and physicist seems to believe that in a universe (or multiverse) as inconceivably large as ours, the odds of otherworldly life existing is, paradoxically, probably more of a certainty than the reality of our very own existence. But if and when the little green men decide to show their faces or the government decides the people are finally ready for full disclosure, chances are we're going to want to fight them before we'd ever want to fuck them.

Whatever the veracity of retired Air Force Staff Sergeant, Earlind "Otto" Perkin's admittedly fantastical UFO yarn turns out to be—whether or not he really banged a shape-shifting female alien after a close encounter at an Air Force base in England in late 1980, or whether the guy is just another home-grown Reno fucknut just one lone bubbly yellow load short of a full-on *bukkake* of the mind, I *can* certainly vouch for the empiric truth of at least *one* part of his story. He brought that particular part into Shea's Tavern with him yesterday afternoon, setting it on the table between our beers. It was preserved in a mayonnaise jar of formaldehyde and the top was secured in place with heavy-duty duct tape.



That part: the poor man's cancer-riddled penis. And at the bottom of the jar: a pair of fully shucked nuts.

Just one quick, indirect glance at the thing made my soul spit bile and, admittedly, caused my own legs to squeeze a little closer together, into a more defensive position. This was not the penis of a piker or prevaricator, not the fuckstick of a man given to making up fairytales about spaceships full of intergalactic gash—pussy from another planet.

Cock cancer is, in fact, a very rare disease, yet here was zero doubt that Otto did indeed have inoperable stage IV sarcoma of the schlong. His medical records verified this. The doctors had evidently been very puzzled by the whole thing and had diagnosed him with unexplained, unsubstantiated radiation-induced "inguinal metastases," meaning his junk had been repeatedly contaminated with some type of radioactive substance over a relatively long period of time.

"Alien pussy juice," he volunteered. "All four of us contracted it," he said. "I'm the last one alive. Statistically, the odds of four men who live and work together for seven years all contracting this particularly aggressive and untreatable form of illness is something like one in 1.8 quadrillion. *Beyond virtual zero*. Mathematically impossible, unless we all happened to be sticking our junk in spheres of plutonium instead of punching our cards in a time clock every morning. "Which I assure you," he added. "We *didn't* do."

His recent and sudden dick death had prematurely aged poor Otto. Like an old man, his mouth seemed to chew at something even when he wasn't eating. His default countenance was a grim annoyance. He was calm, but then angry, puffing, wheezing, and mumbling from the too little, too late doses of radiation he had received at the VA. He was emotionally involved in his chagrin. I could tell that he had resigned himself to his story never being believed. There was hesitation and frustration where there had once been rage. Like a man who had given up on the hero's arrival, his eyes seemed puffy and milky white. Not healthy.

Well, I thought. I'm not much of a hero, but I'll surely listen to what he has to say.

There was nothing the *dickskinners* (his word for doctors) could do for Otto except shake their heads and shoot him up with more and more morphine. To that end, he had begun taking hospice in his hotel room at the Bristol. A woman came by twice a day to make sure Otto was comfortable and had enough Xanax and morphine to allow the last few weeks of his life to pass in relative comfort. He was given six weeks.

He had three of them left when I met him.

Mentally, Otto was in a highly roused state of traumatic and post-traumatic shock. He was trying to balance everything out by self-medicating with booze, downing shot after shot of 100-proof whiskey and chasing each one with heavy singular gulps of Budweiser. Finally, he exhaled, blinking. Nervous.

Otto's apprehension was just as sincere and serious as his diseased dong. He moved like an abused cat, recognizing the liability of and fearing for the welfare of his tail. He was jumpy. Feral-like around people. Squirrely. Suspiciously skittish, constantly ducking and darting between parked cars outside, his neck on a swivel, stealing the view over his shoulder or far off in front of him. He was sure somebody was following him. Certain an assassin was there to step in and kill him if he didn't die. The only question he had was what that shadowy person would or wouldn't do if they found out he was talking, and worse, handing over a 30-pound storage box of proof, as well. He shifted his weight from one side to the other, as though trying to get a leaning start on a foot race should he find himself spontaneously involved in one.

The copious booze and hospice dope allowed him to get up and it gave him a fighting chance against the pain. And it gave him a chance to tell me his story.

"Lamentably," he said, "CNN doesn't send out Wolf Blitzer to investigate and do recon every time some kook claims that they fucked a moon person," he said, wheezing short of breath. "You'd think they at least send that fat bitch. Candy, I think her name is."

"And writing your congressman didn't do the trick, either?" I said.

"They seem to pay even less mind if the story is coming from ex-military brass."

He shook his head and put a toothpick in his mouth. "Nobody is interested. Even if you've got the proof." He grabbed the storage box from the seat beside him and heaved it on top of the table, nearly knocking over his jar of penis. "Right here."

He pulled a layer off the top and began flipping through a treasure trove of photographs, letters, military records, and security credentials.

"If they find out I have this and have given it to the media," he said, "they'll probably want to kill you."

STATISTICALLY, THE ODDS OF FOUR MEN WHO LIVE AND WORK TOGETHER FOR SEVEN YEARS ALL CONTRACTING THIS PARTICULARLY AGGRESSIVE AND UNTREATABLE FORM OF ILLNESS IS SOMETHING LIKE ONE IN 1.8 QUADRILLION. *BEYOND VIRTUAL ZERO.*

I must've looked toward the window in anticipation.

"No..." he said, reassuringly. "The spooks, they stopped using jackals when Hoover left. You wouldn't see this guy coming. It's not a lone nutjob process anymore. It's not like an Oswald anymore," he said. "Too messy. Then they have to send in a cleaner like Jack Ruby and the whole thing just becomes a fucking mess."

He slowly exhaled a lung full of tension and inhaled reason. "If they get you, they'll get you with something like PSP—that's a paralytic shellfish toxin. It's produced by algae blooms and it's fucking deadly when weaponized down at Fort Detrick."

Otto leafed through pictures of the penis surgery and then read off a page of notes he had made. "Saxitoxins bioaccumulate," he said. I wrote that down for you. In case you start getting respiratory distress and then paralysis. You might have a fighting chance if you can tell the doctor what it is. Just say it's a cytotoxin."

I wrote down the info. I wasn't ready to die for this shit, but if I took the threat seriously, it would mean I was taking his story seriously. Not yet.

"It makes for a nasty, but inconspicuous, death. It doesn't raise much dust around the autopsy room. You'll know if they get you. You'll feel shortness of breath, tingling, dizziness, numbness. They might follow you home and pipe it into your apartment through a vent.

But I think you'll be fine," he said. "No offense, but you're not exactly Nina Totenberg from NPR [National Public Radio]." Then he downed another shot. "You're the guy who drank nothing but beer for a month and married a teenaged hooker."

"You know how they tell you not to go grocery shopping when you're hungry," I said. "Don't go to a wedding chapel when you're horny, either."

He smiled. "You weren't the first guy on my list," he laughed.

Otto *had* vowed to meet up with me in the weeks before he died. And what sounds like a really off-prompter Make-A-Wish request was actually a proud man's plea simply to be heard by somebody with at least a modicum of journalistic merit. It turns out we had a mutual friend: Indian Mikey, a local speed dealer and enforcer for a local chapter of a certain notorious national motorcycle club.

Long ago, I was a reporter for a legitimate, mainstream daily newspaper. Sure, I quit one afternoon because I was so hungover I refused to interview a heavily freckled Eagle Scout about his project collecting seeds for replanting hillsides after a local forest fire because all those orange and brown speckles on his face were giving me eye floaters and freaking me the fuck out.

So while Otto Perkins vetted me and my checkered past I vetted him. There were, in fact, military records for an Earl Stuart Perkins born May 5, 1954, who was an Air Force veteran working base security for the 81st Fighter Wing squad at RAF [Royal Air Force] Bentwaters around the time when the UFOs started showing up in the nearby forests in late December, 1980.

But then Perkins' info got murky.

HE WAS SURE SOMEBODY WAS FOLLOWING HIM. THE ONLY QUESTION HE HAD WAS WHAT THAT SHADOWY PERSON WOULD OR WOULDN'T DO IF THEY FOUND OUT HE WAS TALKING, AND WORSE, HANDING OVER A 30-POUND STORAGE BOX OF PROOF, AS WELL.

According to several documents, he had supposedly died in a high-speed motorcycle accident in early February 1981. There were two autopsies in his file. One that said he shot himself with a service revolver and the other that he hit a parked car at 80 kilometers per hour. Either way, that should have been the end of Otto.

And then, strangely enough, next time I did a military records search, there was nothing there at all. All traces of Otto's military service had been lost—or deleted.

"So, we were all fucking these alien broads and all four of us got the dick cancer," he said, lighting a small cigar. The package was foreign. Romeo y Julieta. "And what did we all have in common? We were all fucking alien pussy."

I waited for him to smile, laugh, or otherwise betray himself with a telling facial tick or "a tell." Nothing.

"Not that it wasn't fucking worth it," he added.

"You had a long-term relationship with one of the alien women?" I said.

He nodded and pulled out some pictures from the box. "I lived and worked at Dulce [Air Force Base] for seven years while I was being debriefed from all the shit the aliens put in my head."

"Dulce?"

"It's an underground base that doesn't exist. But if it did, it would be close to Los Alamos, in New Mexico. There were tunnels that actually connected the two Bases with Maglev trains." He handed me some photos.

It certainly looked like a giant cavernous underground base. But it also looked like a huge hotel casino. One room looked like Grand Central Station in midtown Manhattan. Other rooms seemed to be honeycombed off of that main hall. There were pictures of him with a blonde girl who looked like a wax figure in an area he said was his sleeping quarters.

"That's Irine," he said. "My deep space doxy."

"You fucked her?"

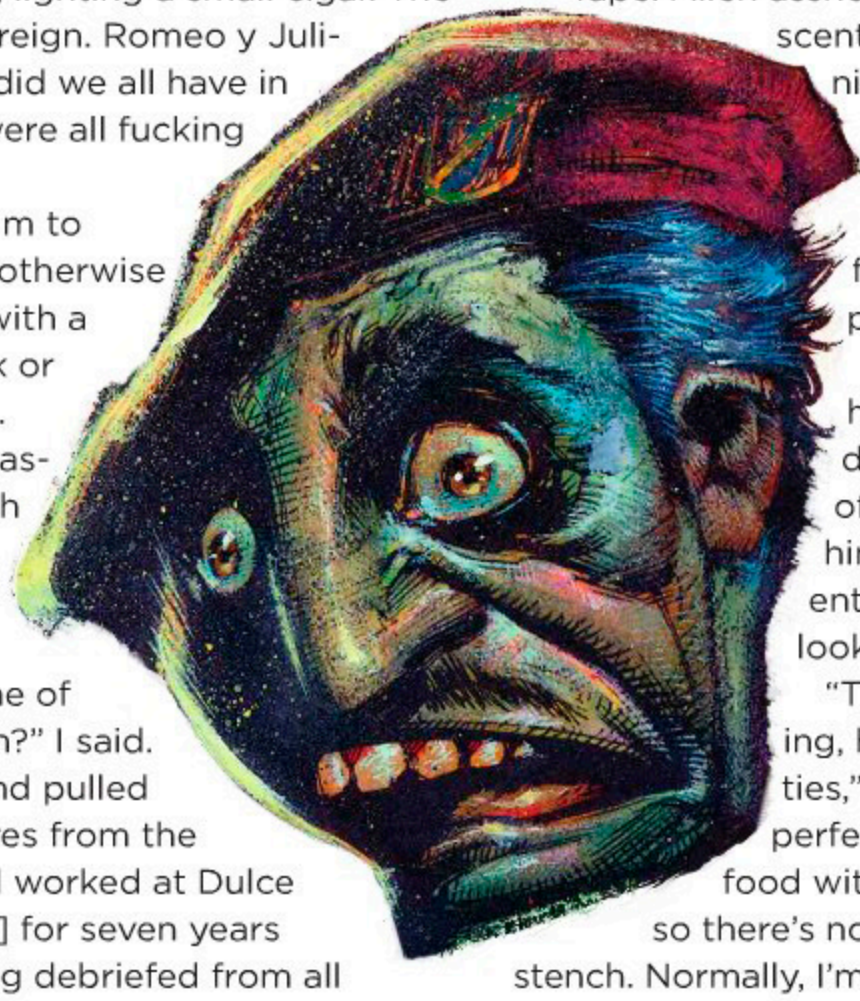
"She's one of the aliens," he said, matter-of-factly.

She looked human—mostly, but there was something a little off about her beauty-wise: her features were a little lynx-like, a feature I first attributed to her perhaps being Russian.

"You know what alien poon smells like?" he said. "It smells like Scotch fucking Tape. Alien asshole doesn't have a scent at all, just a sort of a nitrous oxide smell. Like there's a gas exchange process going on, but thankfully methane isn't part of it."

I looked through hundreds and hundreds of photographs of him with his pals, him with tons of different girls, some of them looking really familiar.

"They are shape-shifting, half-biological entities," he said. "They perfectly digest all of their food with no waste products, so there's none of that foul ass stench. Normally, I'm not an ass eater, but I made an exception for Irine."



"Alien ass is tight?"

Otto smiled. He had a sharp nose, his neck a collection of frowning wattles, folds, and wrinkles. Instantly, he came alive.

"Like fucking a tunnel of hot, wet tongues."

There was one picture of him with another quasi-human looking sort, but this one looked astoundingly like Nancy Reagan—and another of him with Margaret Thatcher?

"You've discovered the big payoff," he said. "What made all of the shit we went through—the whole ordeal almost worth it—being held at Dulce Base for years spitting out binary code on an ancient computer *and* the dick cancer: The alien ability to shape-shift into the exact form of any woman you can imagine!" His eyes rolled back and he drifted off into a sweet memory.

"You had all the women in the world at your erotic disposal, and you went with Nancy Reagan?"

"For all intents and purposes," he said. "That there IS Nancy Reagan. Just Say No, right? Bitch said, 'hell, Yes' to the oversized anal ripcord beads.

These aliens—they're not people," he said. "They don't have souls. They don't feel things. They don't even have real names. Hell, I called my gal Irine because when I first met her, she reminded me of my best friend's mom growing up. Then, suddenly, she was my best friend's mom, and I was plowing her from behind, holding onto her hair like reigns. They just don't have ego enough to need individual names. And they prefer to communicate with their thoughts."

"They read your mind."

"They do. And they're designed to please. So if I think about fucking a supermodel, if I'm looking at a swimsuit magazine, whatever, Irine would instantly shape-shift into that exact woman. And then I'd fuck the shit out of her."

He showed me some XXX pictures of him fucking various celebrities and notable women throughout history—also, a lot of things that if I described them would be highly illegal, but nevertheless worth mentioning by not mentioning.

It was really the ultimate masturbation fantasy.

"At first I'd start fucking a brunette with huge F-cup tits, and in the middle of fucking she'd turn into a hot Japanese spinner, and then at the end she could be Linda Lovelace or Connie Chung with a big hairy bush. Here's one of me banging Brooke Shields up the butt."

"Here," he said, "Sam Adams' wife having a Tea Party of her own teabagging my ballsack."

"It's like a cross between the Playboy Mansion and *Antiques Roadshow*."

"The horny male imagination is a strange fucking place. I had to learn mindfulness meditations: how to concentrate deeply and fully to keep her from flipping her character when I wanted to finish with a specific girl.

I had Susan B. Anthony doing my laundry in a thong and apron. Gloria Steinem licked my jism off the dirty concrete floor while fucking herself up the stovepipe with an 18-inch dildo. I fondled her ass while she cupped my balls, and then she transformed into a young Elizabeth Taylor and made me cum so hard I hit the ceiling.

Of course," he said. "Weird shit passes through your mind every now and again. Around Christmas Time, I fucked Mrs. Claus a couple years in a row, but I think it was just Bea Arthur in a red beanie. I remember the first time I flipped Irine into a midget. Her thumbs were all fuck-tarded. She gave awkward handjobs, but that midget pussy was snappy. Like trying to park a Hummer in a shoebox.

We didn't have Viagra when I was back at Dulce. I fucked Wilma Flintsone several times, Jane Jetson like 20, Judy, every night for a month. Every night was a different fantasy. The only thing my fantasies had in common was that after banging a bitch once, it was pretty rare that I ever wanted to go back for seconds. Samantha from *Bewitched*, the bitches from *Gilligan's Island*, Irine found it all very fascinating—as much as she could find anything fascinating. She wasn't programmed to do anything but conform.

One month I made it a point to fuck all the First Ladies. Ladybird Johnson wiped my dirty ass and then I broke into Pat Nixon's backdoor. Betty Ford took a shot of Jim Beam and then a shot of my semen. Eventually, you run out of ideas and it becomes less and less fun—the law of diminishing returns. The fifth donut you eat isn't as satisfying as the first. I fucked a large, human-sized chocolate donut once. It morphed once during intercourse into jelly then I thought better of it.

Imagine being able to fuck any woman in the world. Eventually, I came up with the idea of the 'surprise.' I'd have Irine flip through a magazine or the *TV Guide* and she'd surprise me with a girl. It could be any girl, attractive or not, and she wouldn't flip. *I'd have to fuck her*. She wouldn't change at all. It brought back some of the fun to sucking and fucking.

I face-banged the Queen of England, ass-fucked Farrah Fawcett, shot Eva Braun in the side of the head with a load of jizz, let Rosa Parks sit on my lap and jammed her black snatch with thick White trash dickmeat. I started making a list.

SHE LOOKED HUMAN—MOSTLY, BUT THERE WAS SOMETHING A LITTLE OFF ABOUT HER BEAUTY-WISE: HER FEATURES WERE A LITTLE LYNX-LIKE, A FEATURE I FIRST ATTRIBUTED TO HER PERHAPS BEING RUSSIAN.

Here..."

He handed me a scratch pad from the hotel with about 50 names written on it—a virtual Who's Who of women going back to Eve and Cleopatra.

While serving at RAF Bentwaters in England in December 1980, Otto had heard about a bunch of weird lights causing some major ruckus in the bush (off-base) in Rendleshem Forest. It was the night after Christmas and he had downed a bottle of peppermint schnapps and suddenly, without much thought, he found his legs were carrying him in the direction of where the light activity was coming from.

"Honestly, I was up for a game of Flashlight Tag," he remembered. He suddenly found himself walking through a grove of trees with three other guys he knew by sight, but not by name. "That was the first time the four of us had ever been together," he said. Suddenly, they came to a clearing.

"I swear on everything I've ever held dear in my life, on my faith, on my parents' lives that there was a fucking spacecraft floating right fucking there," he said.

"It was like something out of a movie. I

thought, this is a fucking cliché. All four of us approached it and suddenly we were all touching it, our palms pressed against the side, and a warm feeling emanating into my hand. I couldn't resist touching it. It's like I was drawn to it, by a magnetic force so powerful it pulled me by the iron in my blood. I put my left palm flush against it. It felt like an acid trip. Then I woke up. It was December 27, 1980 and I was in my bed."

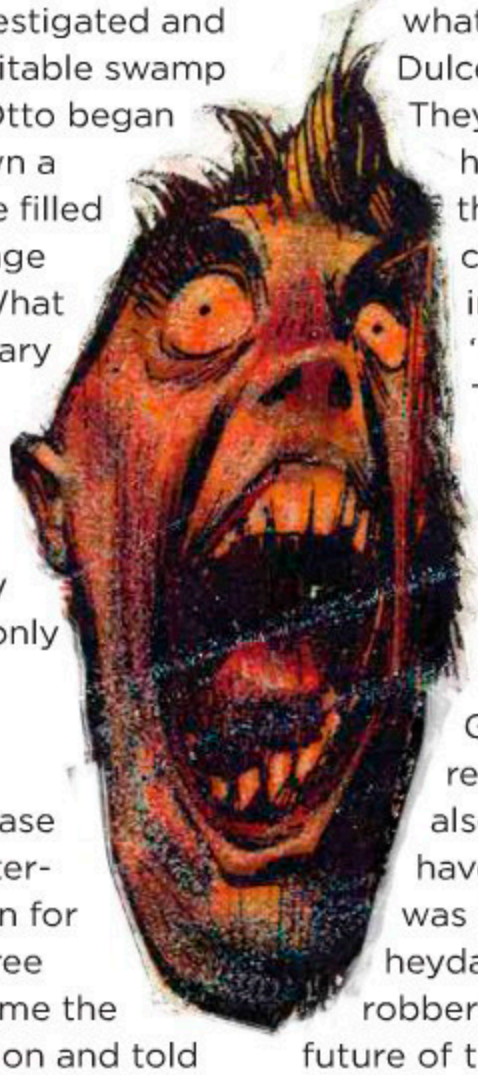
Over the course of the next few days, the incident was heavily investigated and hushed up, dismissed as veritable swamp gas and weather balloons. Otto began to get the urge to write down a series of dots and circles. He filled a diary page full of the strange symbols and kept writing. What he later found out was a binary code. He thought it was going to end after the next line, then the next, and the next, but it kept going.

"I had no idea what binary looked like," he said. "I had only heard of it. And I certainly wasn't fluent in it."

But his messages made sense to somebody at the base and they were more than interested in his new appreciation for lines of code. He and the three other guys were shipped home the next week without explanation and told they were going to be discharged from the Air Force.

Then they were summarily put in the brig and drugged. When they woke up, they were deep inside the bowels of Dulce.

"They put the four of us into a room with these early computers. Huge IBM PCs with less power than a stopwatch. That would've been about the summer of 1980. We were confused, but they had us drugged out of our minds for most of the first six months, so we didn't argue. They thought we needed it to get into what they called the 'ready state' to divulge the lines and lines of binary we had basically downloaded through our palms from the spacecraft. I don't think anybody knew it was going to be half a million pages worth of stuff. Irine was my secretary. We each had one. I thought it was weird that our secretaries slept at the end of our beds like dogs, but again, we were so doped up at the time, we didn't even think to ask. It was like MKULTRA [1950s—1960s covert CIA human experimentation] squared. I personally received LSD, psilocybin, lots of DMT [Dimethyltryptamine], so many psychedelics that I was stuttering. Finally, they realized we didn't have to be in a trance state to empty our brains of the alien code. We just had to take a deep breath and start punching it in. We'd work 10- , sometimes 12-hour days and then we were slowly allowed to live some-



what normal military lives, all within Dulce, of course. It's a huge place. They always say that they could house 100,000 people down there for the duration of a nuclear winter if necessary. And the inside joke there is then they say 'but it's not like we're going to.' Then they'd chuckle.

It was most definitely an international force, not a U.S. base in its own right. There was always somebody speaking another language. Those conspiracy nuts, the World Government people, they don't realize how right they are. They also don't realize how they don't have a chance in hell. Everything was long decided for good in the heyday of the railroad men. The robber barons basically purchased the future of the entire world after the First World War. Everything else has been show. World War II was an elaborate expensive weapons demonstration and sale. Like something at the convention center, except 50 million people lost their lives. People think that they're going to be saved by prepping with 10 years of stored food and 1,000 rounds of ammunition. They have EMPs [Electromagnetic Propulsion] that can render your unborn kids impotent. How are you going to hang on to your gun when you're hit with the evil these guys have planned?"

The binary code turned out to be some kind of history of the known universe. Otto says they were kept in the dark as much as possible about what they were doing. "That's why they gave us those alien women as secretaries—to keep us fat and happy."

But the bitches, according to Otto, were slowly killing the foursome. "Their pussies must have been radioactive to some degree. I think in the same way that our skin tans when it's damaged, their bodies release moderate amounts of radiation in their systems when they're exposed to high levels of it. And it acts as a protective layer—like how an igloo is made of snow, but it's actually a lot warmer inside it than out.

Dixon was first to catch the crotch rot. Then Ellis. They were dead within the first two years at Dulce.

Bekins died last February. We were planning on holding a press conference and releasing all of this information to the media that way—and then he was dead in two weeks. By the time I was brave enough to go see the VA doc[tor], it was way too late. All they could do is cut."

"Understandably," I said.

Otto leaned over his beer and dug through the box of papers and documents, searching for one item that might definitively show that everything he said was true. Something about Dulce, something about the UFO incident—a detail, a little known fact, the content of some of binary alien codes. He read through a few lines.

"These are quotes about life in our universe," he said. "Written by beings we'll never know in situations we'll never understand. But I wrote this one down because it made me laugh. It's a kind of universal truth, I guess."

"Happiness," he said, "is like yawning and pooping at the same time."

I now have possession of Otto's box full of material and have several volunteers going through it all with me trying to make as much sense out of it as possible. Otto was in good spirits this morning. He had just had his morning shot of morphine and was thinking of doing some gambling.

"Do you at least feel a little better now that you've gotten a chance to tell your story? It's got to be cathartic to have it out there. They can't take it away from you now. It must feel good."

Otto was silent for a second. I thought he had hung up the phone.

"Considering everything," he said with a sigh, "I actually think I feel a little bit worse.

I should've taken this to my grave," he said and hung up.

THERE WAS ONE PICTURE OF HIM WITH ANOTHER QUASI-HUMAN LOOKING SORT, BUT THIS ONE LOOKED ASTOUNDINGLY LIKE NANCY REAGAN—AND ANOTHER OF HIM WITH MARGARET THATCHER?

BROOKLYN LEE

THE HIGH SOCIETY INTERVIEW

LAS VEGAS, NV—FROM THE GRITTY STREETS OF THE NEW YORK STRIP CLUB SCENE TO THE BREATHTAKING VISTAS AS AN LA PORN QUEEN, BROOKLYN LEE WAS AMONG THE MOST HONORED STARLETS AT THIS YEAR'S [2012] AVN AWARDS SHOW, IN LAS VEGAS, WHERE SHE SWEPT EVERY CATEGORY SHE WAS NOMINATED IN—A RARE FEAT, INDEED: BEST ALL-GIRL GROUP SEX SCENE, MOST OUTRAGEOUS SEX SCENE, BEST ORAL SEX SCENE, BEST SEX SCENE IN A FOREIGN FILM, PLUS THE VERY COVETED BEST NEW STARLET AWARD. REALLY, IT'S NO SURPRISE BECAUSE BROOKLYN HAS MADE HER BONES, SO TO SPEAK, APPEARING IN A VARIETY OF GONZO, FEATURE, AND PARODY FILMS, INCLUDING THE AWARD-WINNING *SPIDERMAN XXX*. BROOKLYN, WHO ORIGINALLY HAILS FROM OHIO, HAS SINGLEHANDEDLY AMASSED A CAREER'S WORTH OF ACCOMPLISHMENTS IN JUST ONE YEAR AND SHE SHOWS NO SIGN OF SLOWING DOWN. UP NEXT FOR BROOKLYN IS THE STAR-MAKING VEHICLE *VORACIOUS* FROM EVIL ANGEL, DIRECTED BY THE LEGENDARY JOHN STAGLIANO. THIS HAUNTING, EXOTIC BEAUTY LOOKS AHEAD TO MORE SUCCESS IN THE VERY NEAR FUTURE AND HIGH SOCIETY PLANS TO BE ON HAND TO COVER BROOKLYN'S EVERY MOVE. WE SPOKE TO BROOKLYN, WHEN SHE HAD A MOMENT, AT THE AVN SHOW.

HIGH SOCIETY: *What's the best part of being at AVN this year?*
BROOKLYN LEE:: My favorite part about being here at AVN is that I get to meet all the people that watch my movies, that review my movies, that I interact with on Twitter and on ADT [Abstract Data Type], and it's so awesome to connect with these people that were previously faceless names. I get to see them in person, and hug them, and get to take pictures with them, and sign autographs. It's just really great to interact with the fans.

HS: *Which company did you sign for this year in Vegas?*
BL: I got to sign for my favorite company ever, Evil Angel. I was there to promote John Stagliano's latest project, *Voracious*.

HS: *You star in* Voracious, *don't you? Do you do it all: anal, DP, girls?*
BL: In the film I do a lot of things. I do my first DP. I get dominated by Sandra Romain. I have sex with Manuel Ferrara, which ain't a bad thing. Everything. [I did] A crazy blowjob with Rocco Siffredi. It was amazing. I'm so excited about it.

HS: *So Evil Angel definitely is your favorite company to work for?*
BL: Absolutely! Absolutely!

HS: *Congratulations on your recent five AVN awards, especially Best New Starlet. Has the feeling of winning an award for every category you were nominated for sunk in yet?*
BL: No! It hasn't at all. I still see myself as this odd little creature struggling to find her place in the world. It doesn't compute that I've been graced with such amazing honors. Maybe I'm avoiding acceptance because of the associated responsibility and pressure. More likely, it's a matter of sheer disbelief. I'm not the girl that wins things. Over the past year, I've come a long way in my personal journey. I think this might be the year when I grow up into a bona fide adult star.

HS: *How much does it mean to you to be named Best New Starlet?*
BL: Considering the competition I was up against, it means a fucking lot! To be the stand-out amidst such amazing talent [Aiden Ashley, Bethany Benz, Skin Diamond, Bibi Jones, Selena Rose, and Lexi Swallow, to name just a few] is mindblowing. Of course, I'd always hoped to win, I'm sure everyone does, but I fancy myself a realist. I thought Gracie [Glam], Best New Starlet 2011, was playing tricks when she announced my name. Insane! Since I didn't see myself getting it, I was pulling for Skin Diamond. I think she's one of the most promising new girls and has a unique beauty that transcends stereotypes. I know this is going to be a big year for her.

HS: *What do you make of TMZ having some fun by comparing your acceptance speech to Martin Luther King's "I Have A Dream" speech?*
BL: I am well aware of the stark contrast in the contributions Mr. King Jr. and I have made to this world. Honestly, it was a little embarrassing to be in any way compared to such a revolutionary individual. I make sex movies. It was all in good, sarcastic fun, though. I'm just going to go with it. Hopefully, he's not rolling over in his grave, God rest his soul.

HS: *Can you tell me how you came up with your porn name?*
BL: My name was chosen mostly based on a desire for a pseudonym that wasn't in over-circulation and for which I could purchase all top-level domain names. I also happened to be living in New York at the time, so I'm sure that provided some of the inspiration. In hindsight, I should have done the old first pet name, first street you ever grew up on, thing. For me, that formula generates "Lola Graham," which sounds a lot better. Oh well, kind of too late now.

I am well aware of the stark contrast in the contributions Mr. King Jr. and I have made to this world. Honestly, it was a little embarrassing to be in any way compared to such a revolutionary individual. I make sex movies.

HS: *Do you miss New York and what is the best thing about the City?*
BL: Holy Fuck, yes! I miss it every day of my life. New York is the place where I began to find my confidence and freedom. I desperately miss the richness of the culture, walking everywhere and anywhere, and the relentless pulse of the City. It makes me sad to think about being away from my "home." I have this bizarre codependent relationship with that City.

HS: *Can you tell me how your career as a stripper started in New York and why you decided to branch out from stripping in clubs to making porn movies in the Valley?*
BL: It [getting a dance gig] was literally as simple as walking into a club, finding the manager, traipsing around on stage during a 5-minute audition, and that was that. The money was fast and easy, but unreliable, and mostly depended on my particular mood that evening. Grumpy strippers don't make that much dough. I mostly did well, sometimes exceptionally, but the pace of the lifestyle was killing me. For some reason I thought that transitioning into adult films would lead to stability and peace of mind. Looking back, this sounds preposterous, but thankfully—and perhaps serendipitously—I found it to be true.

THE FUCK FACTS

Birthday: June 1, 1989
Hometown: Ohio
Height: 5'5"
Weight: 115 lbs.
Measurements: 32C-24-34
Movies: *Voracious* (Evil Angel), *Spiderman XXX* (Vivid), *Anal Fanatic 2* (Elegant Angel), *Official Friday The 13th Parody* (Zero Tolerance), *Mission Asspossible* (Private)

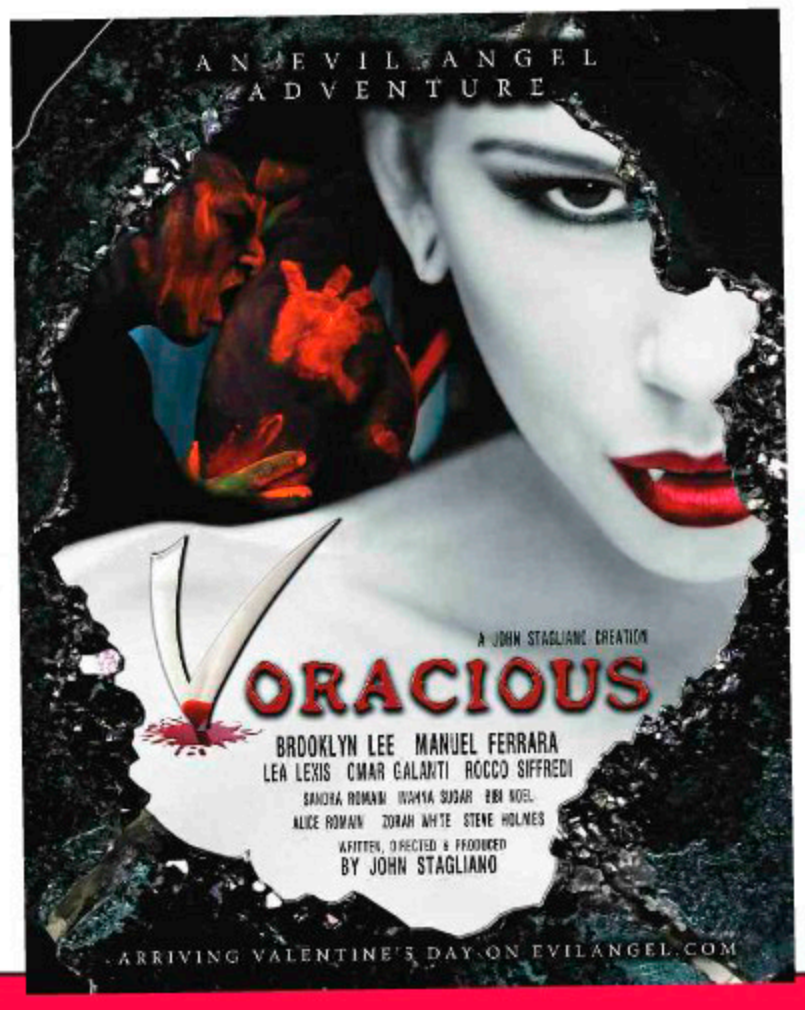
HS: *Had you always had in the back of your mind an interest in doing porn?*
BL: Sexuality intrigued me long before I had any concept of my own. Once I learned how to make myself cum, I masturbated every chance I got—mercilessly attacking my poor little clit. At that point I had no thoughts of actually performing in any of those movies. Hell, at that point I didn't think I'd ever escape the Midwest. My perception of self as an erotic, lust-worthy being didn't come until much, much later.

HS: *Can you describe for us your all-time hottest sex scene?*



AN EVIL ANGEL ADVENTURE
A JOHN STAGLIANO CREATION
VORACIOUS
BROOKLYN LEE MANUEL FERRARA
LEA LEXIS OMAR GALANTI ROCCO SIFFREDI
SANDRA ROMAIN IVANKA SUGAR BIBI NOEL
ALICE ROMAIN ZORAH WHITE STEVE HOLMES

BL: As far as intensity is concerned, I'd say I probably work best with Nacho Vidal. To pinpoint a specific scene, that I couldn't do. Real life is an entirely different story, but on camera, well, he's got me.

HS: *Before entering porn, did you study the business or just enter it on a whim?*
BL: Shooting *Voracious* in Los Angeles, Budapest, and Berlin, which was conceptualized and realized by the enigmatic genius of Mr. John Stagliano. I met him about six months ago, when he shot me for his *Stretch Class* series. He said, "You have an interesting face. Do you like vampires?" I said yes, and he proceeded to throw a thick metal collar around my neck and toss me the beginnings of a script. I read it, while he recorded. He seemed somewhat indifferent about my interpretation of the character, so I was extremely surprised when he called two weeks later and told me we were headed to Europe on "an Evil Angel adventure." I don't think he had much confidence in what he was doing at the time, and even less in what I could bring to the table. Why would he? Who the hell was I? He took a chance on me, and I think what we ended up doing is something pretty incredible. I found dark places within [me] that I didn't know existed. This movie is more or less a portrait of a feral, selfish, and violently sexual entity, surrounded by some of the industry's strongest performers—and they even seemed somewhat perplexed by the hunger in this bizarre little girl. You can see it [the scenes] in installments before the final DVD releases at *http://voracious.evilangel.com.*

HS: *Are you a very dominant or submissive person?*
BL: I'm both. Being submissive comes more naturally, but I believe it's also a much easier task. It's not difficult to relinquish control entirely to another. It is merely a test of how much one can endure and release. Now, dominance, *that* employs creativity and requires a cunning mind and an intricate

balance of vehemence and coddling. These days, I've been dabbling in the latter.

HS: *Have you ever done a gang-bang on film or in person?*

BL: I've never been gang-banged, but it's definitely on my bucket list. I'd love to be a part of Elegant Angel's *Gangbanged* series and realize my fantasy of being overtaken by a team of football players. They don't have to be *real* football players, I'll pretend.

HS: *Do you orgasm in every scene you perform in?*

BL: Do you brush your teeth every night before you go to sleep?

HS: *What sexual fantasy has come true for you since you started working in porn?*

BL: Two words: Double Penetration.

HS: *Where's the hottest place you've ever had sex?*

BL: Hottest place was probably on a sandy beach in the Bahamas. I was sweating like a motherfucker. Oh, that's not what you meant. [Laughs]

HS: *What size cock do you prefer?*

BL: It ain't about form, it's about function. If your dick gets nice and hard and you have a bit of rhythm in your hips, you can take me there.

HS: *Are you a true bisexual or do prefer one gender to the other?*

BL: I love chicks and I love chicks who *love* chicks even more. There's nothing worse than girls who try to gingerly flick it with their

tongues from five feet away. Get your fucking face in there, hooker! Andy San Dimas is my current favorite. Skin Diamond, Bobbi Starr, and Dana DeArmond are all on my Hit List.

HS: *What's one sex toy you can't live without?*
BL: Sex toys are for amateurs. I can accomplish everything I need to do to myself or another girl with my tongue, lips, and hands and feet.

HS: *Name a male and female celebrity you would most like to have sex with and why?*
BL: Mariska Hargitay, the hot female cop on *Law & Order: SVU*, because I hold her responsible for turning me into a half-lesbian with that sassy little haircut and conveniently tight sweaters. Christian Bale because something about seeing his body in states of anorexia and swollen muscle, as depicted in *The Machinist*, really gets my twisted juices flowing. Plus, who wouldn't want to fuck Batman?

HS: *What does the future hold for you?*
BL: I want it all, I want it now, I want it hard, and I want it never to stop. I know, I know, all things come to an end—the good, the bad, and the in-between. And that, I suppose, is what makes the world turn.

NIP/FUCK

The top drawer of fiendishly sexy brunette kink-fiend **Julia Bright's** nightstand is jam-packed with jizz-covered beads, balls, bells, suction cups, sex clamps, gags, blindfolds, ticklers, toys, whips, dildos, dozens of veiny vibrators as well as a huge assortment of pussy probes and buttplugs, nipple-stickers, slit suckers, cum clamps and tit clips. It's like a XXX-rated Woolworth's stuffed into a single 12" by 18" drawer. The bottom drawer is, of course, full of the hundreds and thousands of AA and AAA and C and D batteries and battery chargers and battery rechargers, power cords, power packs, hand cranks, solar panels, portable mini-generators and all the juice necessary to get her juices flowing and to power her perverted powerhouse of penetrative playthings. Forget about thinking green for the environment—we can't stop thinking about Julia Bright's bright pink!
